Participate in Trick or Trash

- It's finally time for Trick or Trash 2022! Don't trash those candy wrappers, count them on your Litterati app and then put them in your Trick or Trash box.
- All classes, regardless if you have a box or not, can participate. There are activities for K-2, 3-5, and middle and high school. https://www.rubicon.com/trick-or-trash/education/#tab2

Class Action

- Schedule time to pick up litter on the school grounds or nature nearby (don't forget to recycle what can be recycled). Remember to track your trash using the Litterati app or the data collection forms. Scroll down the page to find the forms under K-12 School Challenge Materials. https://cleanearthchallenge.com/
